

**We are so excited at Mending Ministries to see fathers intentionally lead their families. It has been a joy to watch fathers and their families get away from technology, get out in nature, and enjoy time together while fishing.**

**May we strive to be Godly men who lead our families. The world needs men who live ordinary lives. Men who go to church, pray, confess sin, serve others, disciple our children, and love our wives and children.**

**Summer Newsletter**

**Fly Fishing Clinics**

We hosted two fly fishing clinics this spring. The first one was at Mt. Olive Lutheran Church and the second clinic was at the Red Brick Church in Stillman Valley.

Fathers and their sons and daughters learned how to cast, and other fly fishing basic skills. They even tied their own flies!

Many of the families that attended the fly fishing clinics have been able to join us on a fishing experience. We are working on finding dates for the other families.

**2024 FISHING EVENTS**

**Father's Day Weekend**

**King's Camp**

**12 Fathers and 18 Sons**

We had an amazing Father's Day weekend fly fishing, swimming, and cooking out. 3 families including myself and our boys camped and attended the Red Brick Church in the morning.

**Rockford Barbell Group**

**Bauman Park**

**6 Students and parents**

We partnered up with an amazing organization that helps teach students social and emotional skills through after school weight lifting programs. The students had a blast despite the extreme heat.

**Maywood Hispanic Group**

**King's Camp**

**22 people**

We had a great event with the Hispanic Group from Maywood Free Church. Fly Fishing, cooking over a fire, and an epic sand volleyball game.
